A. **Reform the Aboriginal and Torres Strait Islander Cultural Heritage Acts to better protect First Nations cultural heritage in Queensland**

Dear Anastacia Palaszczuk MP

Dear Premier,,

The Cultural Heritage Act appears to be an oxymoron in that the government that we look to protect our heritage which appears more intent upon passing on sacred properties to any passing miner or other would be entrepreneur.

I ask you with great humility that you direct your earnest offices to consider the genocide of all our Tasmanian first citizens to appease greedy farmers which remain in ignominy in our heritage eternally. Please demonstrate a better understanding and future for our current Queensland first citizens.

Yours sincerely

George Paris
