A.

**Q.2 Do you have any comments you wish to add?**

A. I am white and of European heritage, but I have much empathy with the injustice suffered by the original owners of this country when our forefathers forcibly stole it from them. To deny any group of First Nations people with cultural knowledge of or a cultural connection to a specific area the right to have a meaningful say in what developers can and can't do on that land is ethically indefensible and just rubs salt into their wounds
